

A medium sized city

276,81 km²

240.580 inhabitants

63 villages (5.135)

1/3 of:

municipal area is forest

urban surface is green

SEAP: Building

**SEAP:
Service sector**

SEAP: Mobility

Towards a more livable city through a new shared space scheme:

- Reverse the increase in car use.
- Promote sustainable forms of mobility: public transport, cycling and pedestrian.

European Green Capital 2012

A year to live and share Europe's challenges and environmental commitments
